

SAM Conservation Scholarship Opportunity

The Stewardship Association of Municipalities would like to announce a scholarship opportunity for post-secondary students in Newfoundland and Labrador. Further information is provided below. Please distribute the enclosed application package to any individuals, groups, and/or institutions that are likely to be in contact with potential applicants.

The Stewardship Association of Municipalities is now accepting applications for the SAM Conservation Scholarship; the deadline is **May 15th, 2015**.

This \$1000 scholarship recognizes students from Newfoundland and Labrador whose interests, activities and post-secondary goals are focused on the conservation of habitat in Newfoundland and Labrador.

The scholarship is open to residents of Newfoundland and Labrador: (1) who are (or will be) enrolled in a post-secondary program and (2) who have demonstrated an active commitment to conservation in Newfoundland and Labrador.

SAM reserves the right to not grant any funds should no qualified applicants come forward. For more information and to submit an application please contact the Stewardship Association of Municipalities:

Who is SAM?

The Stewardship Association of Municipalities Inc. (SAM) is an incorporated, non-governmental organization; a network of communities who practice environmental stewardship across Newfoundland and Labrador. SAM members seek to maintain and enhance biodiversity in the province by securing, restoring and improving important wildlife habitat within municipal planning boundaries. Membership is open to all municipalities that commit to the securement of valuable wildlife habitat within their planning boundaries by entering into a formal agreement with the Government of Newfoundland and Labrador under the Municipal Habitat Stewardship Program.
